To all LPSC qualified consultants:

Re: RFPs 13-01 and 13-03 Docket No. TBD- Entergy Louisiana, LLC, In re: Application for Authority to Change Rates, Approval of Formula Rate Plan and for Related Relief and Entergy Gulf States, LLC, In re: Application for Authority to Change Rates, Approval of Formula Rate Plan and for Related Relief.

The above RFPs were issued by mail to all qualified consultants on January 14, 2013 with February 8th as the deadline for submission of proposals anticipating that ELL and EGSL would make their rate case filings on or before January 31. ELL and EGSL sought an extension of the deadline for their respective filings, requesting that the filing date be extended to February 15. Therefore, the Office of Executive Counsel is extending the deadline for the submission of proposals for the referenced RFPs until **February 22, 2013**.

All Proposals must include a showing that your firm possesses the requisite qualifications and experience to represent the Commission in this matter. Also, please note that all Proposals, including the **original, plus (6) six copies and an electronic copy must be received on or before February 22, 2013.**

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Brandon M. Frey
Interim Executive Counsel
